

Lake Shore Feeder Baseball League 2026 Rules

BACKGROUND: The Lake Shore Feeder Baseball League (LSFBL) was created to provide a strong, competitive environment for member communities' summer travel teams. The LSFBL was formed by member communities to work collectively and collaboratively to further the development of their players and community-based travel programs. The LSFBL expects League participants (coaches and players) to honor the game by knowing and following the Playing Rules laid out below. Questions regarding the meaning or interpretation of the Rules may be directed to the League and its Rules Committee (Rules@LSFBL.com).

BASIS OF RULES: The IHSA Rules, with the exceptions and variations contained in the following **SUPPLEMENTAL RULES**, shall govern the playing rules of the Lake Shore Feeder Baseball League. The 8U Division shall principally follow the Mustang Division Rules, with some exception noted.

GENERAL QUESTIONS: All coaches should first reach out to their community rep regarding any questions that come up regarding the rules below. If the community rep does not know they answer, they will bring it to The League. The reps know virtually all answers to questions and this frees up The League to handle more important matters.

WHEN RESCHEDULING GAMES: Both teams **MUST INCLUDE THEIR COMMUNITY REP IN ALL EMAIL CORRESPONDENCE.**

THE LSFBL RETAINS THE RIGHT TO MOVE TEAMS TO A DIFFERENT DIVISION AS SEEN FIT WITHOUT ANY NOTICE to keep the spirit of the League (to avoid "sandbagging")

BAT RULES FOR 2026 SEASON

8U: All bats with a maximum barrel of 2 3/4" diameter, a maximum length of 33 inches, a maximum differential of -13 and a Stamped BPF of 1.15 will be allowed. USA Baseball and USSSA stamped bats meeting these size and weight standards are allowed.

MUSTANG AND BRONCO, 9U through 12U: All bats with a maximum barrel of 2 3/4" diameter, a maximum length of 33 inches, a maximum differential of -12, and a Stamped BPF of 1.15 will be allowed. USA Baseball and USSSA stamped bats meeting these size and weight standards are allowed.

PONY 13-year-old division: All bats with a maximum barrel of 2 3/4" diameter, a maximum length of 34 inches, with a maximum differential of -8, and a Stamped BPF of 1.15 will be allowed. All BBCOR bats

meet these standards. USA Baseball and USSSA stamped bats meeting these size and weight standards are allowed.

LIGHTNING AND THUNDER RULES

- a) **Prior** to the Start of the Game: If lightning or thunder is detected, the field must be cleared immediately. 30 minutes must pass without either lightning or thunder being detected before field activities may resume. If the field is deemed safe for play and activities resume see **After** the Start of the Game below.
- b) **After** the Start of the Game: If lightning or thunder is detected, the field must be cleared immediately. 30 minutes must pass without either lightning or thunder being detected before field activities may resume. If the field is deemed safe for play and activities resume (assuming that there is sufficient time and / or daylight to continue the game), another incidence of either thunder or lightning will END play for that day. This means that there may be ONLY one delay allowed once the game starts.
- c) Community lightning rules, if more restrictive, **supersede** the LSFBL rules.

SPORTSMANSHIP

MANAGERS AND COACHES:

SHALL SERVE AS EXAMPLES OF GOOD SPORTSMANSHIP AND EXHIBIT PROPER CONDUCT AT ALL TIMES. THIS INCLUDES FAIR PLAY...FOR EXAMPLE, **IF YOU NOTICE A COACH MAY BE IN VIOLATION OF A RULE, BRING IT UP BEFORE THE GAME STARTS OR BEFORE IT HAS OCCURRED (IF POSSIBLE) ...THIS LEAGUE IS ABOUT THE KIDS**

SHALL NOT HARASS AN UMPIRE AT ANY TIME. Questions concerning calls made during a game may be discussed, however, an umpire's decision shall be final.

SHALL NOT USE ABUSIVE LANGUAGE OR DISPLAY EXCESSIVE TEMPER

SHALL CONTROL THEIR TEAM'S PLAYERS ON AND OFF THE FIELD DURING GAMES. All cheering should be in support of one's own team and NOT against the opposing team

SHALL BE RESPONSIBLE FOR THE CONDUCT OF THEIR SPECTATORS DURING ALL GAMES

ANY MANAGER, COACH OR PLAYER EJECTED FROM A GAME IS AUTOMATICALLY SUSPENDED FROM HIS TEAM'S NEXT GAME AND IS NOT ELIGIBLE TO COACH OR PLAY ANOTHER GAME UNTIL SERVING THEIR FULL SUSPENSION.

ANY MANAGER, COACH OR PLAYER WHO IS SUSPENDED A SECOND TIME SHALL BE SUSPENDED FROM PARTICIPATING IN THE LSFBL FOR THE REMAINDER OF THE SEASON (INCLUDING THE POST SEASON)

THE UMPIRE'S JUDGEMENT WILL BE CONSIDERED FINAL FOR QUESTIONS OF UNSPORTSMANLIKE CONDUCT BY PLAYERS, COACHES OR FANS. THE UMPIRE HAS THE AUTHORITY TO EJECT ANY PLAYER, COACH OR FAN WHO IS BEHAVING IN AN UNSPORTSMANLIKE MANNER

ROSTERS

- a) Teams may roster a maximum of 15 players of legal age. All rosters shall be considered final when submitted to the league before the first game. Rosters may be updated during the season with the approval of the League. Rosters will include each player's Name and Jersey Number. UNLESS AUTHORIZED BY THE LEAGUE, players may be rostered on only one team. Team Rosters will be made available on the LSFBL Website to Registered Coaches.
- b) Teams MUST HAVE each player's birth certificates **AND ROSTER** available for review (via a hard copy or electronically) at each game. Failure to provide both SHALL RESULT IN A FORFEIT OF THAT GAME (**SEE FORFEITS**)
- c) In the event a manager believes he will not have NINE registered players available for a game, he may play rostered players from that community's next lower age, division team, OR house league (e.g. a 12B team calls up from an 11-year-old team (A or B), or a 12A team may call up a 12B player, etc.)
- d) A full-time rostered player must play in a minimum of six (6) games on his / her team to be eligible for the Playoffs.
- e) Players called up from a lower age division to fill out the roster may not pitch or catch and shall bat last in the batting order unless they are legally double rostered (NEW FOR 2026)
- f) DISCOVERY OF THE USE OF AN INELIGIBLE PLAYER SHALL RESULT IN A FORFEIT OF THAT GAME. (**SEE FORFEITS**)
- g) Any player ejected for a violation of ANY RULE, INCLUDING UN-SPORTSMANLIKE BEHAVIOR, or for any other reason, shall constitute an automatic out (for his / her spot) in the batting order for the remainder of the game.
- h) If a player must leave in the middle of a game for any reason (outside of an ejection) or cannot continue due to an injury, the player's spot in the lineup will be skipped without penalty
- i) NEW FOR 2026: Players MAY be double rostered on two teams within the same community ONLY. For example, a team may have a player on Wilmette 11B AND 11A but that player may NOT play on New Trier Youth 11B and Wilmette 11B. The spirit of this rule is to allow a player who may be a solid pitcher but struggles with other aspects of his game to be allowed to come up to pitch for that team. Players will ONLY be allowed to be double rostered from

the team below (for example, a B player being rostered on an A team, not the other way around). Again, this is about the spirit of the League. **Should the League be made informed that a player who is a top end A player is double rostered on a B team, the League will take serious violations into consideration.**

SCHEDULING

- a) No games may be scheduled beyond Sunday, July 12, 2026. The League encourages teams to start their games before 1:00 PM on that Sunday to best get the games played. The League will hold Monday, July 13, as a rain date ONLY for games scheduled on Sunday, July 12.
- b) Games canceled on the day of the game **after June 15th**, for reasons other than weather conditions, or other extenuating circumstances, will be treated as played and as a loss (FORFEIT) for the cancelling team. The game score will be posted as 6 – 0. Unless otherwise approved by the League
- c) Home teams are allowed to implement a time limit for games due to extenuating circumstances BUT this must be communicated to the opposing coach **AT LEAST 24 HOURS IN ADVANCE**. Failure to notify the opposing team MAY lead to a forfeit.
- d) Tournament Scheduling

9U – 11U Teams and 12U teams NOT attending Cooperstown from June 1 to the end of the Regular Season: From June 1 until the completion of the Regular Season, each team would be allowed to participate in a maximum of two tournaments. This means that these teams would not be available for a TOTAL of two weekends during the June 1 until the completion of the Regular Season time period. To

expand, if a team decides to take the July 4 weekend off to give their players / parents a break, the League will count this as one of the allowed tournaments.

12U teams attending Cooperstown between June 1 and the end of the Regular Season: These teams will not be allowed to schedule another tournament during the period June 1 through the end of the Regular Season.

Please NOTE that teams may enter as many tournaments as they wish before June 1 and after completion of the Season-ending Tournament. A team's schedule outside of the League Season is TOTALLY up to the local community / team. Also, teams will be required to provide their Tournament Schedules as part of the Game Scheduling Process.

The spirit of this rule is to encourage teams to complete their entire regular season (more on that later).

LENGTH OF SEASON

The 8U and 9U Divisions will play a 14 game Regular Season schedule. 10U will play a 16 game Regular Season schedule, the Bronco Division will play an 18 game Regular Season schedule, the Pony Division will play a 20 Regular Season schedule. All Divisions will participate in a Single Elimination Tournament to be held at the end of the Regular Season.

- f) SEE THE IHSA RULE ON STALLING BELOW

3. IHSA RULE ON STALLING (NOTE: This is a synopsis of the IHSA Rule on stalling):

- a) No team shall purposefully delay any game with the intent of gaining an unfair advantage. Such an unfair advantage may include, but is not limited to, the retaining of a lead until such a time that the umpire is forced to "call" a game due to darkness or weather. Furthermore, the IHSA states that the umpire-in-chief (UIC) is the sole judge as to whether intentional delays are being made. Should the UIC, in his best judgment, believe that either team is stalling he shall give a warning to the offending team followed by an automatic forfeiture for any subsequent violations.

Note: Legal tactics that follow the flow and competitiveness of the game *should* never be misconstrued as stalling even in the event that coaches, players, or fans bring it to the attention of the umpire.

- b) As noted above, this rule is applied at the SOLE discretion of the UIC. This rule may be reviewed in the pre-game conference. Coaches also have the right to bring it to the UIC's attention as games approach darkness, etc.
- 4. NOTE THAT AT ALL LOCATIONS THERE MAY BE SPECIAL LOCAL RULES e.g. TIME LIMIT OF GAME, TIME THE LIGHTS ARE TURNED OFF, BAT RULES, HEALTH RELATED REQUIREMENTS, AND PERHAPS MANY OTHER LOCAL RULES. THE LEAGUE RECOGNIZES THE RIGHT OF COMMUNITIES TO SET LOCAL RULES. ***HOWEVER – THESE RULES MUST BE DISCUSSED AT LEAST 24 HOURS PRIOR TO THE START OF THE GAME SO THAT BOTH COACHES ARE AWARE OF THE RULES TO BE APPLIED TO THE GAME AT HAND. THIS SHOULD ALSO BE DISCUSSED DURING THE HOME PLATE MEETING SO THE UMPIRE IS AWARE.***

All equipment shall be undamaged, unaltered, and in proper working condition throughout the game. If, at any point during the game, *any* piece of equipment is substantially altered or damaged in any way it shall be removed for the remainder of the game at the UIC’s sole discretion. Altered or damaged equipment can either be spotted by or appealed to the UIC at any time by any coach or player. If the UIC does not believe alterations were intentional then no penalty shall be given but the equipment shall still be removed. If the alterations are believed to be intentional then the UIC may, at his/her sole discretion, choose to warn or eject the offending player and/or coach. If a warning is given first then any subsequent violations believed to be intentional shall result in the ejection of the head coach automatically.

Discovery of an Illegal Bat:

Any batter that enters the batter’s box with an illegal bat (i.e. does not comply with the LSFBL Bat Rules) shall be called out immediately upon discovery (via appeal or umpire’s call). The batter may also be called out after his / her time at bat is complete so long as the illegal bat is discovered prior to the first pitch of the following batter. In this case the defense has the option of taking the penalty (an out) or the result of the play. If the penalty is taken then all runners shall return to their original bases. THE OFFENDED TEAM WILL ALERT THE RULES COMMITTEE OF THE GAME INFORMATION – GAME #, DATE, OPPONENT, ETC.

FOR ALL DIVISIONS

Each player present in uniform at the start of the game must play at least three innings (nine outs) defensively in a regular scheduled game. With the exception of the pitcher, the teams are allowed free substitution on defense. Each player present in a uniform at the start of the game is part of his line-up. Each team shall bat its entire line up unless there is a violation of batting out of order.

THE PENALTY FOR NOT COMPLYING WITH THE MINIMUM PLAY RULE IS AN AUTOMATIC FORFEITURE OF THE GAME. (SEE FORFEITS FOR SPECIFIC APPLICATION OF PENALTIES)

SUBSTITUTION

- a) Late arriving players will be entered at the end of the batting order.
- b) A team must have (8) roster players present to start the game. After the game has started, a team may continue to play with no less than eight (8) players. If a team is unable to comply with these rules the game is FORFEITED. (SEE FORFEITS FOR SPECIFIC APPLICATION OF PENALTIES)

SPEED UP RULE (NOTE THAT THESE RULES DIFFER FROM THE IHSA RULES)

- a) If a catcher scheduled to play the next inning is on base with two outs, he must be replaced with a runner who made the last batted out. He must catch the entire following inning unless there is a serious injury.
- b) To intentionally walk a batter, at any point in the at bat, a team shall inform the home plate umpire. The batter shall be allowed first base at that time.
- c) Pitchers are not allowed courtesy runners.
- d) It is recommended that there be a FIVE PITCH MAX warm up for each inning and for new pitchers entering the game.

MERCY RULES

FOR ALL DIVISIONS – If a team is leading its opponent by at least ten (10) runs after four (4) innings (or after 3.5 innings if the home team is leading) the leading team shall be declared the winner.

BASE RUNNERS

8U AND MUSTANG DIVISION

- a) Bases shall be 60 feet apart for 8U, 9U. Bases for 10U shall be 65 feet apart.
- b) For 8U & 9U levels, runners may steal bases, however, runners may not leave the base until the pitched ball has passed home plate. THERE ARE NO LEAD OFFS AT THESE LEVELS OF PLAY. At 8U and 9U stealing will be allowed in all game situations until there is a six-run differential (8U) or an eight-run differential (9U). At that point the team leading is NOT allowed to steal bases until the 6th inning of the game when stealing will be allowed for both teams, regardless of the score. Runners who steal a base, when not allowed under this rule, will receive one team warning and be called out upon a subsequent violation. The pitch shall be considered a dead ball and the runner(s) shall return to their base(s).
- c) For 8U & 9U levels, once the pitcher has stepped on the rubber, the runners who leave the base before the pitched ball has passed the plate shall receive one team warning and be called out upon a subsequent violation. The pitch shall be considered a dead ball and the runner(s) shall return to their base(s).
- d) FOR 10U, lead offs and stealing are allowed without limitation.
- e) On a walk, the batter only gets first base. The runner may not “pickle” or continue to any other base.
- f) The runner shall make a reasonable effort to avoid contact with the fielder (NO COLLISIONS). Sliding into a base shall be considered a reasonable effort to avoid contact. The umpire, in his sole discretion, may eject a player for what is interpreted to be an egregious violation of this rule.
- g) 8's and 9's: A player may not steal home. At no time may a player advance to home plate as the result of an overthrow at any base unless the play began with a batted ball.
ALL 10U: There is NO wall at third base

- h) If a player goes home illegally, he can be tagged out before he gets back to third unless the umpire declares a dead ball.
- i) Fielders may not fake a tag on a base runner, doing so will warrant one team warning. A subsequent fake tag after a warning will result in the player's ejection.
- j) An out at first is the base and the safety base. Any part of both is considered an out.
- k) The Infield Fly Rule is NOT in effect at the 8U Level, but IS IN EFFECT for 9U and 10U.
- l) 8U, 9U: No dropped third strike
10U: The dropped third strike rules are in effect.
- m) Headfirst slides are not allowed at 8U & 9U however, they are allowed at 10U.

BRONCO DIVISION

- a) Bases shall be 70 feet
- b) Fielders may not fake a tag on a base runner. Violating player will be ejected.
- c) First baseman holding a runner on may not straddle the base. Each team gets one team warning and will be considered OBSTRUCTION ON THE SUBSEQUENT VIOLATION WITH AFFECTED RUNNER ADVANCING. ANY RUNNERS BEING FORCED TO ADVANCE IN ORDER TO COMPLETE AWARD SHALL ALSO DO SO IMMEDIATELY.
- d) An out at first is the base and the safety base. Any part of both is considered an out.
- n) Headfirst slides are allowed
- e) The runner shall make a reasonable effort to avoid contact with the fielder (NO COLLISIONS). Sliding into a base shall be considered a reasonable effort to avoid contact. The umpire, in his sole discretion, may eject a player for what is interpreted to be an egregious violation of this rule.

PONY DIVISION

- a) Bases shall be 80 feet at 13U & 90 feet in 14U...please note, in the regular season, for 14B & 14C, if a host team does not have access to 90-foot bases, the away team MUST still play at that field unless both teams agree to play at another site...the home team will then play on the road but will be the home team of record. In the playoffs, ALL games must be played at 90-foot bases unless both teams playing each other only have access to an 80-foot bases field)
- b) Fielders may not fake a tag on a base runner; the violating player will be ejected.

- c) First baseman holding a runner on may not straddle the base. One warning per team AND WILL BE CONSIDERED OBSTRUCTION ON THE SUBSEQUENT VIOLATION WITH AFFECTED RUNNER ADVANCING. ANY RUNNERS BEING FORCED TO ADVANCE IN ORDER TO COMPLETE AWARD SHALL ALSO DO SO IMMEDIATELY.
- d) An out at first is the base and the safety base. Any part of both is considered an out.
- e) 13's and 14s: Headfirst slides allowed.
- f) The runner shall make a reasonable effort to avoid contact with the fielder (NO COLLISIONS). Sliding into a base shall be considered a reasonable effort to avoid contact. The umpire, in his sole discretion, may eject a player for what is interpreted to be an egregious violation of this rule.

ALL DIVISIONS

In addition to other scenarios not stated here, obstruction includes when a fielder, without possessing the ball, denies access to the base the runner is attempting to achieve – WITH A FOCUS ON CATCHERS. Obstruction is solely a judgment call and cannot occur until the runner is actually forced to change or alter direction; if, in the umpire's judgment, the runner ultimately achieves the base or bases he/she would have gained had the obstruction not occurred then the obstruction is ignored, and play continues. An obstruction call results in a delayed dead ball and the umpire's authority to award runners the bases he/she feels they would have gained had the obstruction not occurred.

FAKE BUNTING AND SWINGING AWAY

There shall not be a fake bunt and swinging away for ANY DIVISION. An offending player shall be declared out and it's a dead ball.

SAFETY RULES

- a) Suicide squeezes are allowed at 11, 12, 13 and 14 levels.

During a suicide squeeze, should the umpire deem the batter made a full swing, the play results in a dead ball, the runner goes back to third, the batter is automatically out and the third base coach and head coach if not the same are suspended the following game.

- b) Players may warm up a pitcher; however, they must wear protective headgear and mask.
- c) A base runner that makes no effort to slide and "bowls over" a defensive player will be ejected from the game. The ejected player will constitute an automatic out in subsequent batting order.

DUGOUT RULE

Once a game begins all managers and coaches shall remain in the dugout or on the bench with the following exceptions:

- a) First and/or third base coaches
- b) To attend to an injured player
- c) The manager only may approach an umpire to talk about a call or umpire's decision
- d) To visit or remove a pitcher. There are two mound visits per pitcher per inning. Upon the second mound visit during the same inning, the pitcher must be removed.

THIS RULE SHOULD BE REVIEWED IN THE PRE-GAME MEETING.

BRONCO - Pitching distance is 48 feet at 11U & 50 feet for 12U...please note, for 12U, in both the regular season and the playoffs, if a host team does not have access to a 50-foot mound, the game

- b) Pitchers may not deliberately throw a breaking ball at 11U, **breaking balls are allowed at 12U.**

- c) A pitcher once removed as a pitcher may not pitch again in the same game, even if it's continued at a later date.

PONY - Pitching distance is 54 feet for 13U & 60 feet 6 inches for 14U...please note, at 14U, if the host team does not have access to a 60-foot 6 inches mound, the away team MUST still play at that field unless both teams agree to play at another site...the home team will then play on the road but will be the home team of record. In the playoffs, ALL games must be played at 60-foot 6 inches mound unless BOTH teams playing each other agree or only have access to a 54-foot mound.

- a) There are no balk warnings in Pony
- b) A pitcher, once removed as a pitcher, may not pitch again in the same game even if it is continued at a later date.
- c) Violation of the Pitching Rules (Pitch Counts and Rest Requirements) above will result in the forfeiture of the game in which the violation occurred. (See Forfeits for specific application of penalties)

FORFEITS

Notes regarding forfeits: The League is EXTREMELY HESITANT to award forfeits. The spirit of the League is to always assume coaches were not intentionally breaking any rules. If a rule is noticed by the opposing coach that may lead to a forfeit (such as minimum play rule, pitching a pitcher who has not met rest requirements etc), it is the opposing coach's responsibility to stop the game and talk to the coach as soon as it happens. For example, if a player has not played the minimum number of innings and the opposing coach notices it, he must talk to the coach immediately and mention the player is in danger of missing the minimum play requirement so that the coach can resolve the issue. More on this example, if it is the 4th inning and a player has yet to play in a 7-inning game, the coach should, at that point when the team takes the field, talk with the coach so they can put the player in the game for the

remainder to meet the minimum play requirement. Another example being, if a pitcher comes into the game when the player has not met the minimum rest requirement, the opposing coach should stop play immediately and talk with the opposing coach to rectify/clarify the issue. If a coach realizes a rule was broken after completion of the game (or even during) and never mentions anything to the opposing coach, the game will be considered final with no forfeit awarded. The point of this is to not have coaches sit on their hands and wait for a game to complete to then pull out the forfeit win. If a coach is found to broke a rule after the conclusion of the game, it may lead to a suspension of one game and then two and a third offense would lead to a season long suspension.

Forfeits will NOT be awarded before a game starts. You may protest a game BUT, the game must be played for both regular season and postseason play. Should you want to protest a game, you must follow the steps given on page 18, point c.

FOR ALL DIVISIONS AND FOR ALL FORFEITS EXCEPT SCHEDULING FORFEITS (THIS IS MINIMUM PLAYING TIME, SUBSTITUTION, INELIGIBLE PLAYER AND PITCHING RULES), THE FOLLOWING RULES APPLY:

- a) If the **FORFEITING TEAM** wins the game, the win will be reversed **TO A LOSS AND THEY SHALL ALSO RECORD A FORFEIT. THE OPPOSING TEAM WILL REVERSE THEIR LOSS AND RECORD A WIN.** The forfeit score will be recorded as 6 to 0, unless the score of the winning team is by a larger margin than 6 runs, then the run differential will be used to record the final score (for example in a game with a 9-run differential, the final score would be recorded as 9 to 0).
- b) If the **FORFEITING** team loses the game, the loss will stand and they **WILL ALSO RECORD A FORFEIT.**

FOR ALL DIVISIONS, FOR SCHEDULING FORFEITS, THE FOLLOWING RULE APPLIES:

THE RESULT OF THE GAME WILL BE RECORDED AS 6 – 0, WITH THE FORFEITING TEAM TAKING THE LOSS AND ALSO RECORDING A FORFEIT. **THIS SHOULD NEVER HAPPEN. PLAY BALL!**

MULTIPLE FORFEITS

IF A TEAM FORFEITS FOR A SECOND TIME FOR ANY REASON, THE HEAD COACH WILL BE SUSPENDED FOR ONE GAME IN ADDITION TO THE PENALTIES ASSOCIATED WITH EACH KIND OF FORFEIT.

IF A TEAM FORFEITS FOR A THIRD TIME FOR ANY REASON, THE HEAD COACH WILL BE SUSPENDED FOR THE REMAINDER OF THE SEASON IN ADDITION TO THE PENALTIES ASSOCIATED WITH EACH KIND OF FORFEIT.

SUSPENSION MEANS THAT HE / SHE WILL NOT BE ALLOWED TO COACH THE TEAM IN ANY MANNER, INCLUDING PRACTICES AND GAMES AND MEANS THAT THE COACH MUST STAY AWAY FROM THE BALLFIELD COMPLETELY.

LEAGUE STANDINGS / TOURNAMENT SEEDINGS / TIE BREAKERS

At the end of the regular season, a point system will be used to determine the regular season champion and will also be used to determine tournament seedings. Points will be awarded based upon game results as follows: Win=2 Tie= 1 Loss= 0 Forfeit = -1

PLEASE NOTE: IF TEAMS FAIL TO PARTICIPATE IN 90% OF LEAGUE GAMES, THEY WILL DROP DOWN TWO SEEDS PER GAME THAT THEY MISS (i.e., If they are slated to be the one seed and played only 17 of their 20 league games, they will move down to the three seed, every subsequent game they miss, they will move down another two spots).

IF A TEAM FAILS TO PARTICIPATE IN 80% OF THEIR LEAGUE GAMES, THEY WILL NOT BE ALLOWED TO PARTICIPATE IN THE PLAYOFFS UNLESS APPROVED BY THE LEAGUE DUE TO EXTENUATING CIRCUMSTANCES.

If circumstances allow, extra innings must be played to determine a winning team. Ties are permitted only if circumstances prevent playing extra innings to determine a winner. All games must be played or else the game will be considered AS NEVER SCHEDULED – PLAY THE GAMES.

If a tie in the standings remains, after points have been allocated, the tie breakers will be interpreted and applied by the Rules Committee as follows:

- a) Most league games played
- b) Head-to-head results (including ALL teams that have common games)
- c) Runs allowed in head-to-head games (including ALL teams that have common games)
- d) Average runs allowed in all league games
- e) A coin flip by the League President

FINAL TOURNAMENT RULES

BASE RUNNERS

The Regular Season limitations on base stealing based upon a specified run differential at the 8U and 9U level shall be removed for the Tournament. This means that there are NO limitations, based upon a run differential, placed on base stealing in the Tournament.

PITCHING RULES

For all age groups, the Pitch Limits remains the same as during the Regular Season (SEE PAGE 13 OF THE RULES) however, the rest days adjust for the playoffs (see table below). The Tournament will begin on

the first day with all pitchers treated as if they meet all Rest Requirements (like it was the first day of a new season).

Pitches Thrown	Calendar Days Rest Required
1 – 25	NONE
26 - 50	ONE
51 - 65	TWO
66 OR MORE	THREE

Notwithstanding the above, the Board has the right to modify post-season tournament pitching rules due to unusual circumstances. Any pitching rule modifications will be communicated to team managers prior to the start of the post season, OR AS SOON AS IS POSSIBLE.

PITCHING RECORD RULE:

THE LEAGUE WILL PROVIDE A “PITCHING SHEET” TO EACH TEAM TO BE USED TO DOCUMENT PITCHING ACTIVITY DURING THE TOURNAMENT. THIS SHEET **MUST BE PRESENTED** TO THE OPPOSING TEAM BEFORE EACH GAME IF REQUESTED. **FAILURE TO PRESENT THIS SHEET WILL RESULT IN A FORFEIT.** AT THE CONCLUSION OF EACH GAME THE WINNING TEAM WILL COMPLETE THE PITCHING INFORMATION AND THE OPPOSING TEAM’S COACH WILL INITIAL THE SHEET INDICATING AGREEMENT. **FAILURE TO HAVE THE OPPOSING COACH DOCUMENT THEIR APPROVAL OF THE PITCHING RESULTS WILL RESULT IN A FORFEIT.**

POST SEASON PROTESTS

- a) PROTESTS MUST BE ANNOUNCED AT THE TIME OF THE PLAY AND BEFORE THE NEXT PLAY OCCURS.
- b) A protest may be only based on interpretation of the rules. Umpires shall reserve the right to reverse their decision if they are convinced an error was made. The Umpire in Charge will resolve ALL GAME RULE issues.
- c) ALL post season protests, relating only to non-game rule matters, must be in writing and delivered to the RULES COMMITTEE IMMEDIATELY FOLLOWING the END OF THE GAME. (Send via e-mail to Rules@LSFBL.com)

PLAY TO COMPLETION

ALL PLAYOFF GAMES will be played to completion. NOTE: The Mercy Rule remains in effect during the Playoffs.

UMPIRES

The League has created relationships with umpire organizations. These organizations are the approved sources for Playoff Umpires. **Other sources may be submitted to the League for consideration, and possible approval.** Each Playoff Game Hosting Community will reach out to these sources to arrange umpires for their games. The League will be billed, and will pay for, the cost of these Playoff Umpires. Organizations will make every effort to provide **TWO** umpires for each Playoff. **Games will be played with ONE umpire if TWO are not available.**

OTHER RULES

Other than the Pitching Rule modifications, the Post Season Protest Rules, the Umpire requirements, and the Play to Completion Rule, each noted above, all other rules as established within the body of these Rules apply to Tournament Play.
